To

SIR,

1. Balaghat.
2. Bhiganm.
3. Lohamption Ref.
4. Mysore Lominus Mines

I have the honor to apply for sanction to certain Police Establishments for the line of Railway from the Kolar Road Station to the Gold Mines which was opened for public traffic on the 1st June 1894. The line is 10 miles long and contains the marginally noted 4 stations. The distance of the Balaghat Station from the Kolar Road station is 6 miles and the remaining stations are 1½, 1½ and 1 mile respectively apart from each other. Since the opening of the line 4 Constables from the Bowringpet Taluk have been deputed temporarily to do duty at the rate of one man for each station.

2. The Deputy Commissioner, Kolar, reports that on Sunday the 3rd June 1894, the Station Master of the Mysore Lominus Mines Station was assaulted by a European Miner who was travelling in train, that such disturbances may be generally looked for on pay days when the men travel to Bowringpet and back on pleasure, that it is impracticable to manage the line with the present strength of the Gold Fields Police and that Police arrangements similar to those existing on other lines are urgently necessary.

3

3. The Deputy Commissioner, Kolar, proposes the following establishment for the efficient performance of the Police work at the Railway stations,

1. European or Eurasian Chief Constable on Rs. 50/-
4. 1st class Constables @ Rs. 7+4 Local allowance* 44
4. 2nd —do— @ Rs. 6+4 —do— 40
Rs. 1-4-

*the rate obtaining on the Gold Fields for the present Police staff.

at one first class and one second class Constable to each station. The Chief Constable will travel on the line and be in charge of all the stations. The cost of this establishment will be Rs. 134 per mensem. The line being a detached one, the Police establishment will be under the immediate supervision of the Special Inspector at the Gold Mines, subject to the general control of the Superintendent of Police and the Deputy Commissioner, Kolar.

4. I beg that, under the circumstances, early sanction may be accorded to the entertainment of the proposed staff for the Gold Mines Railway and also to the Contingencies of Rs. 4/- per mensem @ Re. 1/- to each station. A proposition statement accompanies this proposal.

5. I enclose letter (to be kindly returned) No. 30422 dated 18th June 1894 from the Traffic Manager, Madras Railway with its enclosure, for information of Government.
